Umoja   
COMMUNITY **UMOJA PRACTICE**

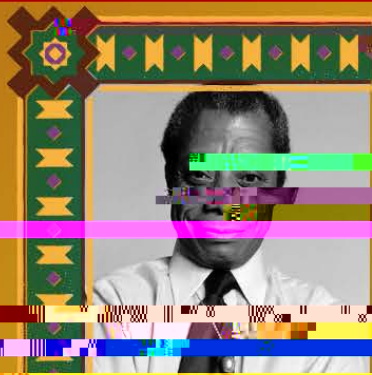

Everybody's Business

WHAT IS UMOJA?

We are a will, a voice, acting in accord, and unfair not to be seen and heard as we do our work, leveraging every voice and

Umoja: Tá Kiswáñ *community building* *Umoja* is a learning community dedicated to the academic success, personal growth, and actualization of African-American and other students.

Umoja professionals, we feel that including everyone, our distinct disciplines and work duties shares knowledge and builds commitment. We know what each other is up to, in an intimate, detailed way, so that we can support and reinforce each other. We work, even when we maintain our areas of expertise.
